1) While forwarding the above resolution the Dy Comm, Hassan Dt, states that the Hassan Town does not comprise of such a vast area as to require a car for touring in the town & that in view of the compact nature of the town & the short distance to be covered from one end to the other, the purchase of a car by the mtee seems to be unnecessary. The Dy Comm also requests that the money could well be utilised for other urgent needs of the Town

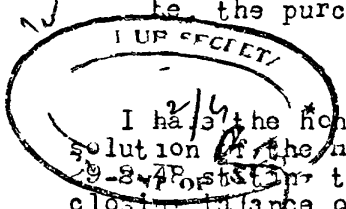
Sir,

Re the purchase of a car by Hassan Town Municipality for the use of th President and Vice President

---



I have the honor to forward herewith for orders of Government a copy of re solution of the Hassan Town Municipal Council passed at their meeting held on 29-3-48 requesting that a car or a station van may be purchased out of the closing balance of the Municipality for the use of the President and Vice President. Hassan Town does not comprise of such a vast area as to require a car for touring in the Town. The purchase of a car involves additional re-curring expenditure towards its maintenance and pay of the driver. Considering the compact nature of the town and the short distance to be covered from one end to the other the purchase of a car by the Municipality seems to be unnece-sary. The amount to be spent for this purpose could as well be utilised for

for other urgent works
